Credit Card Information

Annual Percentage Rate for Purchases	The rate is variable, as described herein. The variable rate, if calculated today (June 26, 1998), based on the current Prime Rate of 8.5%, would be 17.99% APR.
Variable Rate Information for Purchases	Your annual percentage rate (APR) may vary. The rate will be adjusted monthly and will be determined by adding a Margin to the Index. The Index will be the highest Prime Rate published in the "Money Rates" section of *The Wall Street Journal* on the first business day of the month in which the billing cycle begins. The Margin will be 9.49%. However, if your account becomes 30 days past due or is closed because of default, the Margin will be 13.49%.
Grace Period for Repayment of the Balance for Purchases	If you pay your previous balance in full on or before the due date shown on your previous statement, you will have a grace period on purchases of 25 days (from the statement closing date to the payment due date).
Method of Computing the Balance for Purchases	Average Daily Balance (including new purchases)
Annual Fees	None
Minimum Finance Charge	$.50
Transaction Fee for Cash Advances, and Fees for Paying Late or Exceeding the Credit Limit	Transaction Fee for Cash Advances: greater of $4.00 or 4% of the amount of the cash advance. Late Payment Fee: $29.00 each time a payment is late. Over-the-Credit-Limit Fee: $29.00 each month the balance exceeds the credit limit.

The rate for cash transactions will be a variable rate equal to the Prime Rate plus 13.49%. Based on the Prime Rate of 8.5% as of June 26, 1998, the rate for cash advances would be 21.99% APR. However, if your account becomes 30 days past due or is closed because of default, the Margin on cash transactions will be 17.49%. Based on the current Prime Rate, that would be 25.99% APR.

The information about the costs of the credit card described in this application is accurate as of June 26, 1998. This information may have changed after that date. To find out what may have changed, write us at: Associates National Bank (Delaware), P.O. Box 156B7 Wilmington, DE 19850-56B7

Rebate Terms and Conditions: You earn a 3% rebate on net purchases (net purchases are purchases less returns for credit) made during each billing cycle in which the total of payments and credits to your account is less than the Previous Balance on your current statement. Cash transactions, including cash advances and balance transfers, do not qualify for the rebate. The rebate will be calculated each calendar year based on cumulative net purchases posting to your January through December billing statements and will be paid by check once a year before March 15. If your total rebate is $2 or less, it will be forfeited. The maximum rebate you can earn is $20 per billing statement; $100 per calendar year. Your account must remain open and in good standing in order to receive the rebate. If at any time your account becomes delinquent, is closed or is in default you will forfeit all rebates accrued through the billing cycle in which the account was closed, or the delinquency or default occurred. Rebates have no cash value and are not earned until they are redeemed. The terms and conditions of the rebate program may be changed or canceled at any time and for any reason.

New York Residents: Consumer reports may be requested in connection with the processing of the enclosed application and any resulting account or update, renewal, or extension of the account. Upon your request, we will tell you whether or not a consumer report was requested and the names and addresses of any consumer reporting agencies that have provided us with such reports.

Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy consumers and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance within this law.

Wisconsin Residents: Wisconsin law provides that no provision of any marital property agreement, unilateral statement, or court decree applying to marital property will adversely affect a creditor's interests unless the creditor, prior to the time credit is granted, is furnished with a copy of the agreement, statement, or decree, or has actual knowledge of the adverse provision when the obligation to the creditor is incurred.

UNDERGRADUATE ADVISING

STATEMENT OF PHILOSOPHY
The University of Memphis is committed to quality academic advising that fosters student growth and development. The main elements of quality advising consist of promoting the understanding of the aims and purposes of higher education; providing information and resources about the University's programs, opportunities, and requirements; and assisting students in identifying their educational and career goals.

The academic advising process involves many segments of the University community including students, faculty members, professional advisors, counselors, administrative staff, and student peers. Advisors and advisees should seek to integrate the services and expertise of both academic and student affairs professionals.

REGISTRATION CLEARANCE
Most degree seeking students at The University of Memphis must obtain registration clearance from an advisor to register. Students should contact the appropriate advising area to set up an appointment **well in advance of** their assigned day for registration. Registration clearance information will be included on continuing students' Invitation to Register mailed prior to Priority Registration and with acceptance letters from Admissions for new students. While non-degree seeking students are not required to have registration clearance, those considering future degree seeking status are encouraged to seek advising.

The following students must receive registration clearance from an advisor: (1) first time freshmen and transfer students, (2) students on academic probation, (3) students receiving veterans' benefits, (4) students who have not enrolled in required Transitional Academic Studies courses, and (5) participants in varsity sports.

UNDERGRADUATE STUDENT ADVISING

Students must see their advisor to get registration clearance. Call for an appointment.

STUDENTS WITH DECLARED MAJORS
Individual colleges and departments will inform students of advising guidelines and registration clearance requirements unique to their programs. The general guidelines for each college are as follows:

College of Arts and Sciences - Students should contact their advisor in the department of their major for registration clearance.

Fogelman College of Business and Economics - Students must receive registration clearance from the Business and Economics Advising Center, 114 Business Building, (901) 678-2855.

Students who are inappropriately registered for TEP upper division courses will be administratively dropped during the first week of classes.

It is the student's responsibility to obtain initial advising and then to follow the prescribed degree program sheet given at that advising session. Any student who needs or desires additional or updated advice should meet with his/her faculty mentor well in advance of the registration dates. If the mentor is unavailable, the student should contact the departmental office. If program changes occur that could result in alterations in degree requirements, student registration clearance flags will be reset to disallow student registration without seeing an advisor.

Federal Direct Loan Request • 1998-99

Fall 1998, *Spring* 1999, *Summer* 1999

What is a Federal Direct Loan?
The Federal Direct Loan Program is a cooperative effort between the federal government and educational institutions.

- The federal government provides the loan funds.
- Schools determine the loan amount and interest subsidy, confirm eligibility, and determine the loan period.

Direct Loan provides funds to help you meet your educational expenses. However, unlike gift aid, loans must be repaid. Federal Direct Loans are offered in two forms; subsidized and unsubsidized.

- ***Subsidized:*** You will not be charged any interest while you're in school (as long as you remain at least a half-time student) and during grace or deferment periods. The federal government "subsidizes" the interest during these periods. Your interest begins to accrue and repayment of the principal begins six months after enrollment in an educational institution ceases.

- ***Unsubsidized:*** You are responsible for your interest. Your interest accrues within sixty days of disbursement and may either be paid while you are in school or capitalized and added to the principal loan amount borrowed. As with subsidized loans, principal repayment begins six months after enrollments in an educational institution ceases.

ACADEMIC YEAR LOAN LIMITS

	Base Loan Sub/Unsub	*Extended Loan Unsub only **	*Total Loan*
Freshman	$2,625	$ 4,000	$ 6,625
Sophomore	$3,500	$ 4,000	$ 7,500
Junior	$5,500	$ 5,000	$10,500
Senior	$5,500	$ 5,000	$10,500
Graduate	$8,500	$10,000	$18,500

** available to independent students*

Your Total financial aid, including Federal Direct Loans, can never exceed your cost of education. The limits indicated are the federal maximums which you can receive during two terms of enrollment.

There are aggregate loan limits, in addition to annual loan limits. Students may never borrow more than the aggregate loan limit for all subsidized and unsubsidized loans at The University of Memphis and other schools.

AGGREGATE LOAN LIMITS

	Base	*Base plus Extended*
Undergraduate	$23,000	$ 46,000
Graduate	$65,500	$138,500

Every Federal Direct Loan period is required to have two disbursements:

The beginning and mid-point of the term for one-term loans, or the start of each term for two term loans.

New freshmen borrowers receive their first disbursement after attending class for 30 days.

If you do not need to borrow the maximum amount, you can choose to borrow less.

In deciding the appropriate amount, you should follow these steps.

1. What are your costs for an academic year? Add your costs together for tuition / fees, room and board, books and supplies, transportation and personal expenses.

2. Subtact your resources from these costs. Consider all aid and private scholarships you have received as well as money from savings and your family.

3. Decide if you need to borrow. Before you borrow funds, are there other resources available to you? Review your expenses to see if you can reduce your costs.

4. Consult the repayment chart below. What will be the monthly payments be if you borrow this amount? Remember to consider what you may borrow in future years.

5. Select the amount that you can manage to repay. What you borrow today, must be repaid, with interest, in the future. Re member to be as conservative as possible when borrowing funds.

REPAYMENT CHART

Your educational borrowing will have an effect on your future life-style. You need to be aware of what your monthly loan payments will be **before** you commit to that loan amount. Your loan repayment period will not exceed ten years and will require a minimum monthly payment of $50.00. Based on an 8% interest rate, you can expect to make these payments for ten years. Each time you borrow, review the sample loan repayment chart below.

Total Borrowed	Monthly Payment
$ 5,000	$ 61.00
$ 10,000	$ 123.00
$ 30,000	$ 368.00
$ 50,000	$ 613.00
$100,000	$1,227.00

See the other side for the Direct Loan Request Form.

If you responded "yes" to the student loan question on your FAFSA, you will be **offered** the maximum amount of subsidized and unsubsidized loan for which you are eligible. Only use this form if you want a student loan, and/or if you want to borrow **less** than maximum, or you do not want to borrow an unsubsidized loan (interest on unsubsidized loans accrues while you are in school and during your six month grace period).

Students must be registered for a minimum of three (3) credit hours and be in good financial standing with the University in order to qualify for a registration loan.

Students who register during Priority/Extended Registration may apply for a registration loan in the Bursar's Office (177 Administration Building) **beginning December 28, 1998.** Students who register after Priority/Extended Registration may apply for a registration loan in the University Center Ballroom during Last Call and Late Registration.

A non-refundable loan processing fee of $10 (per semester) will be assessed to each student who is approved for a registration loan. **The maximum loan amount will normally be one-half (1/2) of the student's maintenance fee assessment.** However, students approved for a registration loan may also be eligible to enroll in the University's Deferred (Installment) Payment Plan for the remaining one-half (1/2) of their maintenance fee assessment.

Registration loans normally will not be made for the student's loan processing fee, student activity fee, out-of-state tuition, late registration fee assessments, or any other amount due the University.

Registration loans must be repaid in full no later than April 1, 1999. A $25 Late Payment Fee will be assessed if any portion of the loan balance remains unpaid after the due date. The registration loan balance (including accrued interest) will remain payable even if the student withdraws from the University, except for any normal University refund which may reduce the loan balance due. *Registration loan amounts due must be paid by the due date in order to participate in the course selection process and/or use the Registration Loan Program for future terms.*

Registration loan payments should be mailed to **The University of Memphis, P.O. Box 1000, Dept. 313, Memphis, TN 38148-0313.**

HOW MUCH TO PAY (Continued)

INSTALLMENT PAYMENT PLAN

Students may elect to pay University **enrollment and housing fees** IN FULL or use **the Installment Payment Plan**. The Installment Payment Plan allows students who are in good financial standing with the University to make an initial payment of one-half of their enrollment/housing fees (plus a $10 plan enrollment fee) by the fee payment deadline and defer the balance of their fees until later in the semester according to the plan guidelines below:

1. Students in good financial standing with the University **who are enrolled for a minimum of three (3) credit hours** are eligible to participate in the University's Installment Payment Plan.
2. Students may defer **up to 50% of their total enrollment/housing fees** (other University fees and/or charges cannot be included under this plan).
3. **An initial down payment of 50%** of a student's enrollment/housing fee balance (after all financial aid, scholarship, and/or third party assistance award amounts have been applied) **PLUS an enrollment fee of $10** (per semester) is required for participation in the Installment Payment Plan.
4. The remaining fee balance is due in two separate installments; one-half (1/2) is due by **March 1, 1999,** and the remaining amount is due by **April 1, 1999. Students remain responsible for the installment payments by the appropriate deadline even if they do not receive an invoice.**
5. **A $25 Late Payment Fee** will be assessed on each installment that is *not received* by the University on or before the due date.
6. **The amount of fees deferred will remain payable even if a student withdraws from the University** except for any normal University refund, which may reduce the amount due.
7. All installment amounts due must be paid by the due dates in order to participate in the course selection process and/or use the Installment Payment Plan for future terms.

DESCRIPTION OF FEES

MAINTENANCE FEE – Maintenance fees are assessed based on the course level and the number of hours enrolled. The maximum fees will be the graduate maximum if a student is enrolled for any graduate level courses. Maintenance fee amounts quoted in the Fee Schedule include the Debt Service and General Access Fee components.

OUT OF STATE TUITION – Students classified as out-of-state residents by the Office of Admissions, using regulations provided by the Tennessee Board of Regents (TBR), pay the additional out-of-state tuition as indicated in the Fee Schedule. Residency regulations of TBR and information on appeals procedures are available in the Office of Admissions. *ONLY THE OFFICE OF ADMISSIONS MAY CHANGE RESIDENCY CLASSIFICATIONS.*

STUDENT ACTIVITY FEE – All students enrolled for one to five hours will pay a part-time student activity fee of $4 per credit hour. All students enrolled for six or more credit hours pay a full-time student activity fee of $34. Students paying the full-time fee are entitled to admission to home athletic events, and certain health services, concerts, plays, and other student-sponsored activities and social events.

APPLIED MUSIC FEE – Certain music courses require an additional applied music fee of $45 per semester for each weekly one-half hour lesson. This fee is not included in the Fee Schedule.

LABORATORY MATERIAL FEE – Certain laboratory courses, such as Chemistry, may require an additional materials fee of $10-$25 per semester. This fee is not included in the Fee Schedule.

NURSING CLINICAL PRACTICUM FEE – Certain nursing courses require an additional clinical practicum fee of $44-$55 per semester. This fee is not included in the Fee Schedule.

LATE REGISTRATION FEE – A Late Registration Fee of $25, which is not included in the Fee Schedule, will be assessed to each student who does not complete registration, including the payment of fees, prior to the semester's first day of classes (January 19, 1999).

LOCKER RENTAL FEE – Students who wish to rent a locker will be assessed a $5 locker rental fee each semester. This fee is not included in the Fee Schedule.

The Fee Information in this section is intended to cover the situations most students will encounter. Detailed information concerning other miscellaneous student fees may be found in the Undergraduate and/or Graduate Bulletins of the University.

ENROLLMENT FEE REFUND DEADLINES & PERCENTAGES

The following refund deadlines and percentages apply to students who withdraw from the University or who drop to a reduced number of semester hours below full-time:

100% Refund Deadline	***January 15, 1999 by 6:00pm***
75% Refund Deadline	***February 1, 1999 by 7:30pm***
25% Refund Deadline	***February 15, 1999 by 7:30pm***

A full (100%) refund will also be provided for courses cancelled by the University at any time and in the case of the death of the student during the semester.

Please note the final refund period ends earlier than the final deadline for dropping courses or withdrawing from the University.

The University refund policy is based entirely upon the official date of withdrawal or change of course which would result in a refund. The refund percentage is NOT calculated on the amount of payment, but rather to the student's total enrollment fees assessment. Therefore, students who satisfy fees using the Installment Payment Plan may still have a balance due the University for unpaid fee amounts despite their withdrawal from some or all of their courses.

Refunds beyond the specified dates/percentages indicated above **will not** be made for reasons such as employment conflicts, moving out of town, or other reasons which are beyond the University's control or responsibility.

Refunds will be processed and mailed to students **beginning approximately ten (10) days after classes begin**. The University will offset against proposed refunds any amount owed by the student to the University.

APPEALS OF UNIVERSITY FEES/CHARGES AND REFUNDS

Any individual may appeal the assessment, application, calculation, collection, or interpretation of any University fee, charge, deposit, or refund. The University has developed the following processes for an appeal:

Traffic Fines/Citations – Traffic fines and citations may be appealed through a separate process on forms available from the Parking Office, Office of Judicial Affairs, or the Student Government Association Office.

Residence Life – Appeals related to Residence Life financial matters should be filed first with the Office of Residence Life for review within their process. This decision may be appealed to the University Fee/Refund Appeals Committee.

All other University Fees/Charges, Refunds, Etc. – A written appeal of all other financial matters should be filed first on forms available in the Bursar's Office, 176 Administration Building. The Office of the Associate Vice President for Finance will provide a decision in writing of those matters appealed to that office. This decision may be appealed to the University Fee/Refund Appeals Committee. The recommendation of the Committee will be forwarded to the Vice President for Business and Finance for a final decision, which will conclude the University's appeal process.

The listing of any fee or incidental charge in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect for the semester for which he or she registers. All questions in regard to fees, fee payment, refunds, and appeals should be directed to the Bursar's Office, 176 Administration Building or by calling the Bursar's Office at (901) 678-5579.

Fees are subject to change without notice. The University will usually collect the amount of fees due at the time of enrollment in accordance with the residency classification and fee rates in effect. After all enrollments are complete, any over-collections will be refunded and students will be billed for any under-collections.

Fees for AUDITING courses are assessed on the same basis as fees for credit courses. Courses offered between terms, for concentrated period during a term, or at specific locations may be subject to fees on a per-hour basis only.

ACADEMIC POLICIES & PROCEDURES

AUDIT

Students wishing to audit a course must obtain approval from the department offering the course. The audit permit is electronically issued from the department and should be requested well in advance of the student's registration window of time. Fees for audit are the same as for credit. Students may not change from a grade point basis to audit or from audit to a grade point basis after the last day to add classes. After the audit permit has been issued, the student must register on **STRIPES** or **TIGERWEB**.

COURSE NUMBERING SYSTEM

Courses are numbered according to the following system:

Below 1000	primarily for remedial and developmental students or non-native speakers of English
1000-1999	primarily for freshmen
2000-2999	primarily for sophomores
3000-3999	primarily for juniors
4000-4999	primarily for seniors
6000-6999	Courses equivalent to 4000 level courses for which limited graduate credit may be earned. Students will be expected to do more work and/or to perform at a higher level to receive graduate credit
7000-7999	primarily for master's students
8000-8999	primarily for post-master's students
9000	only for doctoral candidates

CLASS ATTENDANCE

Class attendance may be used in computing grades at the discretion of the instructor. If attendance is to be used, a complete written statement of the instructor's policy detailing the weight of attendance in determining the final grade must be presented to all students present at the first and second meetings of the class.

Initial Attendance: Faculty will report all students who have not attended any class meetings during the **first two weeks** of classes (fall/spring) or the **first week** of classes (summer). These students will be notified that they are being administratively withdrawn from each class never attended.

A student who is absent from the final examination without the permission of the teacher incurs a grade of F on the examination and may, depending on the weight of the examination in determining the final grade, incur a grade of F for the course.

Students who receive VA benefits or Title IV funds for enrollment fees are subject to cancellation of future awards and immediate repayment of these benefits if they stop attending whether or not they officially withdraw or drop a course. The last known date of attendance will be reported by the instructor as the "unofficial withdrawal date". Students who stop attending will be assigned a grade of "F" in courses that do not reflect an official withdrawal.

CLASS CANCELLATION and INCLEMENT WEATHER POLICY

In the event that inclement weather requires the cancellation of classes and/or campus activities, local radio and television news media will be immediately notified for dissemination, as they deem appropriate. Such closing decisions will also be given to University vice presidents for dissemination through the notification system in place for each division. Cancellations will not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence. (University Procedure 2A:16:01A)

COURSE LOAD LIMITATIONS - MAXIMUM NUMBER OF HOURS WITHOUT DEAN'S APPROVAL

COURSE LOAD LIMITATIONS

UNDERGRADUATE	GRADUATE
20.5	15

Students must have approval from the appropriate official in their degree granting college for hours in excess of the maximum (concurrent enrollment at other colleges is included). Overload requests for approval should be made well in advance of registration.

CREDIT/NO CREDIT

Undergraduate students who have a 3.0 average and 60 semester hours, with permission of the dean of their college, may elect to take some courses on a credit/no credit basis. Students should pick up the Permission of Department Permit from the department, obtain appropriate signatures (including their academic advisor and dean) and bring the permit to Student Information Services, 119 Administration Building to be processed.

DISABLED AUDIT or CREDIT REGISTRATION

Tennessee residents who have a permanent and total disability which totally incapacitates them from working at an income producing occupation, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. They may enroll for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester. Enrollment for audit or credit will be limited according to space availability. **PLEASE NOTE: Students must contact Registration Services (901) 678-2676 after they register to obtain tuition reduction.**

Applicants for this program must present medical information to University Health Services documenting a permanent and total disability. The University physician examines the documentation and determines eligibility. If the applicant is eligible for State Vocational Rehabilitation Services, which by their nature and definition are designed for individuals who have potential for employment, the applicant would not be eligible for the free audit or reduced fee benefit. Eligibility for this program applies only from the time of approval by the University physician and is not retroactive. Direct all inquiries regarding this program to Registration Services, 115 Administration Building, (901) 678-2676.

GRADE REPORTS

A grade report is mailed to the **permanent address** of each student at the end of the semester.

Withholding of Grade Reports

The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. When financial obligations have been resolved, students may obtain their grade reports in Student Information Services, 119 Administration Building or by calling 678-2671 to have grades mailed. In person release of grade reports requires photo identification.

PRIVACY RIGHTS OF PARENTS & STUDENTS - NOTICE TO STUDENTS

The University of Memphis intends to comply fully with the Family Education Right and Privacy Act of 1974 and its subsequent amendments. A complete copy of the procedure may be obtained in the Office of the Registrar.

Directory Information

"Directory Information" is defined as: the student's name, address, telephone listing, e-mail address, major field of study, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's enrollment status (number of enrolled hours, full-time or part-time status), and the student's classification (level).

Restricted Release of Directory Information

After a student registers for courses, the student may personally complete a written request in Student Information Services (119 Administration Building) that directory information not be released. Such information will be withheld from the campus telephone directory if the form is completed by the 14th day of classes.

Access to Records

To gain access, the student must request the custodian of the records to allow perusal of the education record according to the University Procedure for Student Records Access, which contains a list of the custodians of the records. A student must present proper identification in support of his/her request. Parents of dependent students as defined in the Internal Revenue Code Section 152 may obtain access to a dependent student's record after presenting appropriate documentation.

Review, Amend, Consent To Release Records

Parents and eligible students have the right to review education records, request amendments to the record, file a complaint related to the University's compliance with the requirements of the Family Educational Rights and Privacy Act (FERPA), and provide consent for release of personally identifiable information according to University Procedure 2E:30:01A. Release of personally identifiable student education records (other than directory information) is not permitted without written consent of the student to any party other than those specified by FERPA (e.g., the University does release education records to officials of other schools in which the student seeks or intends to enroll or has previously been enrolled).

PROBATION/SUSPENSION - UNDERGRADUATE

ACADEMIC STATUS AND RETENTION

Students will be notified of their academic status at the end of each semester through their official grade report. Students who do not receive their grade reports in the mail may pick up a copy of their grades in 119 Administration Building. A complete statement of the University's academic status and retention policy may be found in the Bulletin. Specific questions concerning academic probation/suspension should be directed to the Academic Status Office, 117 Administration Building, (901) 678-2393.

Regardless of academic status, students will be allowed to register for classes for the following term. However, students whose grades result in an academic suspension will be automatically withdrawn from the University before classes begin. If the grade report indicates suspension, a student is required to remain out of the University the following semester. If the suspension occurs at the end of spring semester, the student must remain out of the University the summer session and following fall semester.

UNDERGRADUATE ACADEMIC RETENTION SCALE

Quality Hours	Minimum GPA
0 - 14.99	No Minimum
15 - 29.99	1.40
30 - 50.99	1.70
51 - 67.99	1.90
68 and above	2.00

TRANSITIONAL ACADEMIC STUDIES

Students will be notified of their academic status at the end of each semester through their grade report. Students whose grades result in an academic suspension will be automatically withdrawn from the University before classes begin for the next semester. If the grade report indicates TRAC suspension, the required time out of the University prior to readmission is one semester. Students may appeal the suspension. TRAC suspension questions should be directed to Transitional Academic Studies Office, 203 Administration Building, (901) 678-2028.

REPETITION OF COURSES

A student may not attempt the same course more than three times for the purpose of obtaining a passing or higher grade. The dean of the college from which the student intends to graduate may make exceptions to this limitation.

Exceptions must be approved prior to the student's registration for the fourth and any subsequent attempts of the same course. The student's grade point average will be computed as follows:

Number of Attempts	Grade(s) Included in Computation
1st	Original grade earned
2nd	Only grade in 2nd attempt
3rd and subsequent	Grade earned in 2nd and subsequent attempts

The record will continue to reflect all grades earned in the same course.

SENIOR CITIZEN AUDIT / CREDIT REGISTRATION

Persons who will become sixty (60) years of age during the academic semester in which they begin classes, and who are domiciled in Tennessee, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. Permission to AUDIT will be limited according to space availability.

Persons who will become sixty-five (65) years of age prior to or during the academic semester in which they begin classes and who are domiciled in Tennessee, may enroll in courses for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester. **PLEASE NOTE: Students must contact Registration Services (901) 678-2676) after they enroll to obtain tuition reduction.**

Direct all inquiries regarding this program to Registration Services, 115 Administration Building, (901) 678-2676.

STUDENTS WITH DISABILITIES

Eligible students with disabilities may register prior to their assigned time so adequate plans can be made for disability related needs and academic accommodations. The Office of Student Disability Services (SDS) mails detailed early registration instructions to students registered with their office. Other students with disabilities are encouraged to contact the SDS office for eligibility information.

Registration is available from any touch-tone telephone as well as the web. Students who are unable to register either by telephone or web, may go to Student Information Services, 119 Administration Building, for personal registration assistance. Students must comply with the advising procedures established by their college and/or department before registering.

For further information, please contact Student Disability Services, 215 Scates Hall, (901) 678-2880 (Voice and TDD).

TRANSCRIPT REQUESTS

The University of Memphis requires written authorization from the student to release transcripts. Transcripts may be requested in person (143 Administration Building), by mail, or by FAX (901) 678-3249. Include the following information with your request: complete name, former names, Social Security Number, birth date, current address, first and last years of attendance, address (es) where transcript is to be mailed, number of copies to each address. **Sign and date your request.** There is no fee for transcripts; however, a transcript will not be released if student has not satisfied all obligations to the University. If you have additional questions, please contact Transcripts Office at (901) 678-3927.

TRANSFER CREDIT/U of M STUDENTS

After admission to The University of Memphis as a regular undergraduate, students must consult with their advisor and the Undergraduate Admissions Office if they anticipate enrolling at another college or university for the purpose of transferring credit to The University of Memphis. A Transfer Credit Request form must be completed. For completed additional undergraduate course work to be transferred from another university, the student must request that an evaluation be completed by Undergraduate Admissions, (901)678-2111. For information about the transfer of graduate credit contact The Graduate School, 317 Administration Building, (901) 678-2531.

WITHDRAWAL PROCEDURES

Students who register and are unable to attend the semester must formally process a withdrawal prior to the first day of classes to avoid having an academic record (official term grades recorded). Failure to officially withdraw will result in grades of "F" for the courses in which the student is enrolled. Courses dropped after the last day to add will be graded "W" (for withdrawn). TRAC courses dropped after the last day of Late Registration require signature approval from the Transitional Academic Studies Office.

Withdrawals from Monday, November 2, 1998 through Friday, March 5, 1999

Students must withdraw by **STRIPES** (901)321-7000 (telephone)or **TIGERWEB-www.tigerweb.memphis.edu.** Students must know their PIN to process withdrawals.

ADDENDA TO THE 1997-99 CATALOGS

The following items are corrections, revisions, or additions to the 1997-99 issues of the University Bulletin. Their publication here constitutes the official announcement of the change to the University Bulletin.

THE UNIVERSITY COLLEGE

UNIV 3519. THEMATIC STUDIES – EXPLORING THE FUTURE (6) Structured around images of the future and focuses upon resources and problems important to a global future. Resources considered are the global human population, natural resources, and the environmental, social, institutional technological, economic, and leadership resources. Problems of the future: population, food and fresh water, global environment, sociopolitical organization, education, healthcare, and energy. A critical approach to images of the future and future-oriented actions is emphasized throughout.

UNIV 3522. THEMATIC STUDIES – AMERICAN CINEMA (3) Overview of American film history from silent cinema to present. Considers the place of Hollywood film in American popular culture, the relation of movie technology to film art, and seeks to develop cinematic literacy and the ability to think critically about popular culture.

UNIV 3527. THEMATIC STUDIES – MAKING THE HUMANE CITY: INTRODUCTION TO PLANNING OF URBAN AMERICA (6) Interdisciplinary approach to planning and decision-making issues that challenge American cities: planning process that precedes and follows public and private sector decisions affecting the quality of life in urban communities.

UNIV 3539. THEMATIC STUDIES – THE PEOPLE'S CENTURY I (3) A survey of world history in the twentieth century, covering the years from 1900 to 1948. Major trends and events, with particular emphasis on global interrelatedness and on the firsthand testimony of ordinary people who lived through the century's sweeping changes. Course materials include videos using archival film footage, sound records, and personal interviews.

UNIV 3705. SPECIAL TOPICS - CRIMINAL LAW AND PROCEDURE (3) Advanced approach to understanding substantive and procedural criminal law with emphasis on practical application. Issues include prima fascia elements of substantive criminal offenses, defenses to specific crimes, constitutional limits on police and other governmental entities, probation and parole, and the juvenile justice system.

UNIV 4511. THEMATIC STUDIES – HOLOCAUST STUDIES (3) Interdisciplinary approach to one of the most problematic events of human history, the Holocaust. The purpose of the course is not simply to gather information or to arrive at some explanation; nor is it to be overcome with despair or anger or outrage. The aim rather is to address the questions of good and evil, of divinity and humanity, of truth and responsibility that arise from this event.

UNIV 4518. THEMATIC STUDIES – LITURATURE OF THE AMERICAS (6) Explores the diversity, similarities and universality of the central themes of Spanish-American, African-American, and French and Canadian fiction.

UNIV 4523. THEMATIC STUDIES – THE BEST OF ALL POSSIBLE WORLDS: UTOPIAN LITERATURE AND WESTERN CULTURE (3) A study of the rich and fascinating tradition of utopian and dystopian literature, from classical sources through British and American texts that delineate a "perfect" community. Emphasis upon the way in which utopian literature and actual utopian communities focus not just upon the "ways" of living, but the "why's" of living - - that is, upon human values, and how they are defined.

UNIV 7000. FOUNDATIONS OF LIBERAL STUDIES (3) Analytical introduction to graduate liberal studies and its theoretical framework. Readings in and concerning humanities, social sciences, natural science. Design of student's educational plan for the M.A.L.S. program. *Course may be taught with different readings during different semesters. Must be taken during the first semester in the M.A.L.S. program.*

The University of Memphis - Statement of Mission

The University of Memphis is a member of the State University and Community College System of Tennessee and is governed by the Tennessee Board of Regents. As an urban university, The University of Memphis provides a stimulating academic environment for its students, including an innovative undergraduate education and excellence in selected research areas and graduate programs. The academic environment extends beyond the campus boundaries to encompass the entire community.

Education is enhanced through exposure to diversity in the composition of the student body, faculty, staff and administrators; including women, minorities, individuals with disabilities and various age groups and religions. The University has responded to the challenging responsibility of being located in a culturally diverse region by developing a unique blend of teaching, research and service that contributes to the growth of the Mid-South region.

Teaching brings the benefits of scholarship and research to students and through them to the people of the area. The University of Memphis asserts that excellence in teaching traditional and non-traditional students is its central responsibility. A comprehensive undergraduate education, grounded in the arts and sciences, develops intellectual, cultural and ethical qualities in its students. The innovative General Education Program challenges students to develop the analytical and critical skills necessary for lifelong learning. The University of Memphis offers master's and doctoral degrees in selected graduate programs as well as degrees in the major professional areas. Through learning begun at The University of Memphis, graduates compete in the global intellectual community in which they live.

As a research university, The University of Memphis develops, integrates, disseminates and applies knowledge. Faculty maintains ongoing programs of basic and applied research or creative activities appropriate to their disciplines. The University's urban environment provides a rich opportunity for research and creative scholarship, and for the use of that scholarship in the intellectual and cultural development of the region. The University's commitment to fostering a research and creative environment harmonizes with the other aspects of its mission.

The University of Memphis fulfills its outreach mission through its contributions to professional organizations and to the needs of the community. The University promotes intellectual, cultural and community development through, for example, its artistic programs, lecture series, technical assistance, continuing education and intercollegiate athletic programs.

The University of Memphis, through its research, teaching and outreach roles, responds to individual needs, such as the support of health care and preventive health services. The University addresses broader issues as well, for instance, K-12 education, economic development, environmental initiatives, international programs, computing and telecommunications.

MISCELLANEOUS INFORMATION

EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester, some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester The University of Memphis recommends that students with health concerns or conditions seek private medical advice about the appropriateness for them to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review through the office of the chair of the department in which such chemicals are used. MSDS are also available for review in the Environmental Health and Safety Office, 110 Brister Tower. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer.

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF GI BILL BENEFITS.
Any student using VA Educational Benefits Assistance (GI Bill Benefits) at The University of Memphis should contact the Office of Veteran's Services (119 Administration Building 678-2996). New students should be prepared to furnish the following items as needed: a VA copy of their DD 214 (Certificate Of Release Or Discharge From Active Duty), DD 2384 (Notice Of Basic Eligibility), or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veteran's educational benefits. Some of these restrictions include regular class attendance, satisfactory academic progress, and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders

(1) Register with the Office of Veterans Services every semester by completing a Veterans Request for Certification Form.
(2) Report credit allowed for prior training in cooperation with your advisor by completing a "Request for Evaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.
(3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
(4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, canceled courses, and withdrawals.
(5) Obtain a degree posting sheet/formal degree plan from your advisor, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

HARASSMENT POLICY

Policy

It is against University policy to harass or to discriminate against any member of the University Community on the basis of sex or race. Such actions are prohibited not only by University Policy, but also by Title VII of the Civil Rights Act of 1964 as amended, and Title IX of the Educational Amendments of 1972. Violation of these Acts may subject the University and/or individuals to disciplinary action and may have legal consequences.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the careers, educational experience, and well being of students, faculty and staff. Incidents involving sexual harassment or racial harassment have no place within the University. In both obvious and subtle ways, even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff, and the academic community as a whole. When, through fear or reprisal, a student, staff member, or faculty member submits or is pressured to submit to unwanted sexual attention, the University's ability to carry out its mission is undermined.

Sexual harassment is especially serious when it threatens relationships between teacher and student or supervisor and subordinate. In such situations, sexual harassment exploits unfairly the power inherent in a faculty member or supervisor's position. Through grades, wage increases, recommendations for graduate study, promotion, and the like, a teacher or supervisor can have a decisive influence on a student's, staff member's or faculty member's career at the University and beyond.

While sexual harassment most often takes place in situations of a power differential between the persons involved, the University also recognizes that sexual harassment may occur between persons of the same University status. The University will not tolerate behavior between or among members of the University community that creates an unacceptable work or educational environment.

A. Sexual harassment is defined as unwelcome sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature when one of the following criteria is met:
   1. submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course or activity; or
   2. submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual; or
   3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creating an intimidating, hostile, or offensive work or educational environment.

B. Sexual harassment encompasses any sexual attention that is unwanted and can take many forms, but most sexual harassment falls into three categories: verbal, visual, and physical. The examples listed above are not exclusive, but simply represent types of conduct that may constitute sexual harassment. Some examples of behavior or conduct that may constitute sexual harassment include, but are not limited to:
   1. refusing to hire, promote, or granting or denying certain privileges because of acceptance or rejection of sexual advances
   2. promising a work-related benefit or a grade in return for sexual favors
   3. suggestive or inappropriate communications, e-mail, notes, letters, or other written materials displaying objects or pictures which are sexual in nature that would create hostile or offensive work or living environments
   4. sexual innuendoes, comments, and remarks about a person's clothing, body or activities
   5. suggestive or insulting sounds
   6. whistling in a suggestive manner
   7. humor and jokes about sex that denigrate men or women
   8. sexual propositions, invitations, or pressure for sexual activity
   9. implied or overt sexual threats
   10. suggestive or obscene gestures
   11. patting, pinching, and other inappropriate touching
   12. unnecessary touching or brushing against the body
   13. attempted or actual kissing or fondling
   14. coerced sexual intercourse

15. sexual assault
    Whether the alleged conduct constitutes sexual harassment depends upon the record as a whole and the totality of the circumstances, such as the nature of sexual advances in the context within which the alleged incident occurred. Please note that sexual assaults may be criminal acts and as such, investigation and processing by the criminal justice system, local police, campus security, and crisis intervention centers may supersede the process developed under this Guideline.

C. Consensual Relationships - Intimate relationships between supervisors and their subordinates, and between faculty members and students are discouraged since such relationships could lead to undue favoritism or the perception of undue favoritism. Such relationships are improper when they influence or could reasonably be expected to influence decisions or actions in University-related matters.

D. Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an employee's or student's status or performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based typically on prejudiced stereotypes of a group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race, color, or national origin. Title VII requires employers to take prompt action to prevent individuals from expressing their opinions in a way that abuses or offends their coworkers.

The University seeks to encourage the prompt reporting of such harassment and its prompt resolution through University procedures. Where the charge of harassment is by one student against another student, the Assistant Dean of Students for Judicial Affairs, 105 University Center, will investigate and resolve the complaint in accordance with appropriate student procedures. Other charges, not relating to complaints against students, should be directed to the University Affirmative Action Officer, 156 Administration Building, for investigation and recommendations to the President and will follow guidelines set forth in University Procedure 2A:12:04A.

In addition, the University will take steps towards and encourage the development of programs aimed at informing students and employees of their rights to be free from sexual harassment and the procedures available for reporting. Programs will also be developed and aimed at preventing harassment.

Procedure

The purpose of this procedure is to provide a clearly defined means of reporting and investigating the complaints of students, faculty, and staff where they believe they have encountered harassment as defined by the University policy. The final resolution of such complaints and the imposition of any appropriate sanctioning will be governed by existing University procedures as stated herein.

The President has assigned the University Equal Employment/ Affirmative Action Compliance Officer the responsibility of investigating any complaint related to this procedure. The responsibility of investigating complaints against students has been assigned to the Assistant Dean for Judicial Affairs in accordance with appropriate student disciplinary procedures.

Since harassment based on race, sex, or any other factor has been defined as discriminatory in nature, the following will be implemented for the reporting of harassment:

A. Complaint by faculty member or staff against student - Procedure: Complaint to Assistant Dean of Students for Judicial Affairs for investigation and disposition.

B. Complaint by student against faculty member or staff; faculty member against staff; faculty member against faculty member or supervisor; or staff against faculty member, staff, supervisor or outside University contracting agency - Procedure: Complaint to University Affirmative Action Officer for investigation and possible disciplinary action by the President.

Procedures

The following procedures are intended to protect the rights of the aggrieved party as well as the party against whom an allegation of harassment is lodged, as required by state and federal laws. Each allegation will be properly investigated and, when warranted, appropriate disciplinary action taken against the individual charged.

In situations that require immediate action, because of safety or other concerns, the institution can take any disciplinary action that is appropriate, e.g., suspension with pay, pending the outcome of the investigation by the EEO/AA Officer or Assistant Dean of Judicial Affairs. The University Affirmative Action Officer and the President should be contacted in situations requiring immediate action. The TBR Office of General Counsel will be contacted before any immediate action is taken and prior to any investigation.

A. Investigation

1. Any student, applicant for employment or employee who believes he or she has been subjected to harassment at The University of Memphis shall present the allegation to the designated EEO/AA Officer or Assistant Dean for Judicial Affairs responsible for compliance with Title VII of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972.
2. Every attempt will be made to get the aggrieved party to provide the charge in writing. The allegation shall include the circumstances giving rise to the allegations, the date of the alleged occurrences, and names of witnesses, if any. The allegation shall be signed by the aggrieved individual. However, where the aggrieved individual refuses to provide or sign a written charge, the allegation will still be investigated, and recommend to the President appropriate action. Allegations made anonymously or by a third party must also be investigated to the extent possible. Based on the findings of this investigation, the EEO/AA Officer may recommend to the President appropriate action that may or may not be the steps outlined in the remaining paragraphs of this guideline.
   If there is insufficient evidence to corroborate the allegation(s) or, in any situation in which the alleged victim refuses to cooperate in the investigation, it may be appropriate to discuss the allegation with the alleged harasser, informing him or her that s/he is not being accused of a P-080 violation, but that the conduct alleged could be found to violate this guideline. Any investigation and subsequent discussion should be documented and a report submitted as set forth in this procedure.
3. The Office of General Counsel shall be notified of the allegation, whether written or verbal, as soon as possible after it is brought to the attention of the EEO/AA Officer or Assistant Dean for Judicial Affairs and the investigation will be under the direction of the General Counsel. On campus legal assistance shall be forwarded a notice of the allegation.
   Where a student is the party against whom a complaint is made, all documentation shall be subject to the provisions and protections of the Family Educational Records and Privacy Act (FERPA).
4. The EEO/AA Officer or Assistant Dean for Judicial Affairs shall notify in writing the alleged harasser within five (5) working days of receipt of the allegation. The alleged harasser shall respond in writing to the allegation within five (5) working days of notification.
   The alleged harasser should be notified that any retaliation against the accuser is strictly prohibited regardless of the outcome of the P-080 investigation and may, in itself, be grounds for disciplinary action.
5. The EEO/AA Officer or Assistant Dean for Judicial Affairs may meet with both parties for the purpose of resolving the charge informally. If informal resolution is successful in resolving the complaint, a report of such, having first been reviewed and approved by the Office of General Counsel, shall be submitted to the President.
6. A report shall be submitted to the President and the parties within twenty (20) working days following receipt of the allegation. Each report shall outline the basis of the allegation, including the dates of the alleged occurrences, the response of the alleged harasser, the findings of the EEO/AA Officer or Assistant Dean for Judicial Affairs and all attempts to resolve the allegation informally and recommendations regarding disposition of the allegation. If following an investigation the EEO/AA Officer or Assistant Dean for Judicial Affairs finds there is no substantial evidence to support the charge, the parties shall be so advised in writing.

7. The President shall review the report and make a final determination as to whether a violation has occurred and, if so, what the appropriate resolution should be.

   If the investigation reveals evidence to support the allegation, the President may meet with the charged party and/or the aggrieved party and attempt to resolve the problem by agreement. Appropriate steps must be taken to ensure that the harassment will not reoccur. The charged party shall be advised of his/her right to a hearing pursuant to the procedures set forth below. An alleged harasser may request a hearing within ten (10) days following receipt of the report.

B. Hearing

1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Regents Policy No. 1:06:00:05, Uniform Procedures for Cases Subject to Tennessee Uniform Administrative Procedures Act, and of the established The University of Memphis procedures available for resolution of the matter in question. The party requesting a hearing shall be given the opportunity to elect the procedures pursuant to which the matter shall be heard.
2. When an individual elects to proceed under the established The University of Memphis procedures for resolution of the matter, the election should be in writing and signed by the individual making the election and should expressly waive the procedures available under the TUAPA as to the matter in question. When a party elects to proceed pursuant to established institutional procedures, these procedures shall include the following minimal requirements:
   a. Notice of the charge to the party or parties.
   b. The right of the party or parties to present his or her case.
   c. The right to be accompanied by an advisor.
   d. The right to call witnesses in his or her behalf.
   e. The right to confront witnesses against him or her

   In addition, in any case where the President makes a decision which is adverse to the charge or claim of either party, the President shall advise the person of any right of appeal provided by TBR policy.
3. Individuals electing to proceed under the TUAPA shall be referred to the appropriate University of Memphis official responsible for commencement of actions under the TUAPA as provided in Board Policy No. 1:06:00:05.
4. When an allegation involves a tenured faculty member, the same informal and formal procedures set out above shall be utilized. Tenured faculty members shall have the same right to elect hearing procedures as set out herein. However, where the investigation results in a finding that the harassment policy was violated and the President concurs with that finding and determines that the harassment constitutes adequate cause for termination, then the matter will proceed directly to a hearing under either The University of Memphis policy for termination of tenure or TBR policy 5:02:03:00.

THE UNIVERSITY OF MEMPHIS' POSITION ON DRUG AND ALCOHOL USE BY STUDENTS

A. In accordance with local, state and federal laws and with University Regulations promulgated in accordance with the Tennessee Board of Regents policy, students are prohibited from unlawfully processing, using, selling, manufacturing or distributing illicit drugs on University owned or controlled property. Also, students are prohibited from possessing, using, selling, manufacturing or distributing alcoholic beverages on University owned or controlled property.

   - At off-campus University sponsored (funded) events, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs. Alcohol shall not be abused by those of legal drinking age, nor used, possessed or distributed by those who have not attained drinking age.

   - Additionally, students are prohibited from being under the influence of illegal drugs or alcohol while on University owned or controlled property or while attending any University sponsored (funded) activity.

B. Under the laws of the state of Tennessee, a person convicted of the unlawful possession, use, or distribution of an illicit drug or alcohol may face a fine ranging from fifty dollars ($50) to $500,000 and may face imprisonment ranging from thirty (30) days to sixty (60) years. Dependent on the offense and its classification, the fine and imprisonment may vary but will be within the limits noted. Descriptions of the offenses and sanctions listed are located in the Tennessee Code Annotated (T.C.A.) in section 39-17-401 through 427 and in sections 40-35-101 through 504.

   Under the laws of the United States, a person convicted of the manufacture, distribution or possession of any controlled sub-stance may face a fine of up to $100,000 and may face imprisonment of up to one (1) year for Schedule V drugs, and a fine of up to $400,000 and life imprisonment for Schedule I drugs. Dependent on the offense and its classification (according to the schedule of the drug), the sanction may vary but will be within the limits listed above. These sanctions are doubled when the offense involves either (i) distribution or possession at or near a school or college campus (emphasis supplied) or (ii) distribution to persons under 21 years of age. Additional sanctions include civil fines of up to $10,000 for simple possession and loss of eligibility for federal benefits. Descriptions of offenses and sanctions are located in the United States Code (U.S.C.), title 21, sections 801 et seq.

C. The use of illicit drugs or alcohol may result in a variety of health problems. Excessive use of alcohol, for instance has been shown to result in damage to the heart and liver; impairment of brain activity, digestion and blood circulation; impairment of judgment, memory and motor skills; and ultimately may lead to death.

   - The use of illicit drugs has been shown to cause organic damage, impairment of physiological processes, and impairment to mental functioning. Risks of contracting hepatitis, AIDS and other infection increases when illicit drugs are injected. The use of illicit drugs may also lead to death.

D. The University of Memphis students have access to a wide variety of drug or alcohol related counseling/assistance programs, both on and off campus. On campus services, which are entirely free to students, include the Center for Student Development's Psychological Counseling Unit, the University's Health Center and the Department of Psychology's Counseling Services (Psychological Service Center). For more information on campus based services, contact the Center for Student Development at 678-2067.

   - Off campus programs to assist the substance abuser range from groups dealing with addictive behaviors - such as Alcoholics Anonymous - to full service, in-patient programs operated by local hospitals or health-related concerns. These programs may be contracted either directly or through referral by The Center for Student Development; although, none are operated with the assistance of the University.

E. Violation of University Policy as stated in Section A above will result in disciplinary action being taken against the responsible student. A violation may result in a sanction ranging from a simple warning and referral for treatment to a full suspension or expulsion from the University and may also result in referral for prosecution by local, state or federal authorities. For a more detailed view of the disciplinary process, see the **Student Handbook** section on student discipline ("Code of Conduct") or contact the Office of Judicial Affairs at 678-2298.

CRIME AWARENESS AND CAMPUS SECURITY ACT OF 1990

1. The University of Memphis Procedure No. 2D:06:01A provides that all suspicious and/or criminal activity should be reported to the Department of Public Safety, which is open 24 hours a day. Reports of such activity may be made in person to a member of the Department of Public Safety at the office (155 Administration Building), to any Officer on campus patrol, by telephone (678-4357 or MSU-HELP), or from any campus emergency telephone located at various sites across campus and in the lobbies of most academic buildings.
2. The campus and facilities of The University of Memphis are restricted to students, faculty, staff, guests and invitees of the University, except when all or part of the campus, its buildings or facilities are open to the general public for a designated time and purpose. Individuals loitering on campus without a legitimate purpose as specified above are issued trespass warnings and directed to leave campus; failure to comply with the warning will result in arrest.

The main lobbies of residence halls are open from 7:00 a.m. to 12:00 midnight each day. After midnight, the residence hall lobbies are restricted to student residents and Residence Life staff. Visitation hours are established by a two-thirds majority of the residents of each individual hall at the beginning of each Fall semester. In any case, visitation hours may not exceed 12 hours (12:00 noon to 12:00 midnight) on weekdays and 14 hours (12:00 noon to 2:00am) on weekends. For more information concerning the residence hall visitation policy, consult the Residence Hall Application Reservation brochure available in the Office of Residence Life and Visitor Information Center.

3. The Department of Public Safety employs 30 commissioned peace officers. University Police Officers attend a basic police academy and an annual in-service training program in conformance with the requirements of the Tennessee Peace Officers' Standards and Training Commission. The University Police Officers' commission authorizes them to enforce state law on campus and on contiguous streets, and to investigate crime occurring on campus or against the University.
   Students are encouraged to promptly report crime and suspicious activity through various crime awareness and prevention programming sponsored by the Department of Public Safety and the Division of Student Affairs, including New Student Orientation and Residence Life programming. Students are further encouraged to report criminal activity as outlined in various University publications, including the Student Handbook and the Campus Safety and Security brochure.
4. The Department of Public Safety and the Division of Student Affairs sponsor on-going programming on crime prevention and safety awareness. Programming includes skits, videos, self-defense presentations and discussions presented to various student organizations and groups, resident students, and new students during orientation. This programming, as well as literature published by the University, encourages students to adopt safe behaviors and attempts to foster a sense of personal responsibility for safety among all members of the campus community.
5. The Memphis Police Department is notified of all felony crimes that occur on campus. Any sexual assault of a university student that is reported to the Department of Public Safety is also reported to the Memphis Police Department, whether the offense occurred on or off campus. The Tennessee Bureau of Investigation is also notified of any criminal activity deemed to be of special interest.
6. The sale, consumption or possession of alcohol or illegal drugs is prohibited on the campus of The University of Memphis and at any University sponsored student activity. Violators of this policy are subject to arrest and disciplinary action by the University. Further information regarding the University's policy on alcohol and drug use is contained in the Student Handbook in the sections entitled "The University of Memphis's Position on Drug and Alcohol Use", "Residence Life", and "The Code of Student Conduct" and in this schedule of classes.
7. No person, other than law enforcement officers when in the discharge of their official duties, may possess a weapon on premises owned, operated, managed, or under control of The University of Memphis. This exclusion includes individuals who have obtained permits to carry concealed weapons from the State of Tennessee or any other entity.

PARKING REGULATIONS

The U of M Parking Office is located at 3918 Central Avenue. Office hours are Monday - Thursday, 7:00am - 6:00pm, and Friday, 7:00am - 4:30pm. Please note: Hours may differ during U of M's student registration periods. Contact the Parking Office at 678-2212 for specific operating hours.

Campus Traffic and Parking Regulations are available in the Parking Office, 3918 Central Avenue, the Office of Judicial Affairs, University Center, and the Visitor's Information Center located at the corner of Patterson and Central.

Every vehicle parked on campus property must have a parking permit (hangtag) properly displayed. Parking meters have been placed in parking lots around the University for the use of visitors. Parking permits (hangtags) are permanent and are designed to hang from the inside rearview mirror post but may be transferred to a replacement vehicle when the registered vehicle is not available. A temporary parking permit (hangtag) must be purchased from the Parking Office when you forget to transfer the regular hangtag. Parking permit fees range from $19 - $200 based on the level of parking desired. **If you lose your hangtag, a replacement fee of $10.00 will be charged. A lost or stolen permit (hangtag) must be reported to the Parking Office.** For additional information, telephone the Parking Office at 678-2212.

Parking lots are Priority (gate access), Reserved, General, Resident, or Visitor. All University owned streets are reserved for Resident or Visitor parking. A parking sign is erected at the entrance to each lot and University owned street indicating the use of that lot or street.

Priority (gate access) lots have a limited number of spaces. These spaces are sold for either day or evening use and a parking space is virtually guaranteed. Applications for gate access parking are available in the Parking Office or in the Fee Payment Center during registration. Resident students may charge resident parking fees on their university account during dorm check-in. Resident gated access costs $21.00. Non-gated access costs $14.00.
Vehicles must be parked within parking spaces delineated by white lines. Improperly parked vehicles may be towed at owner's expense. The issuance of a parking permit (hangtag) does not guarantee a parking space on University property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with University parking regulations.

Visitor parking is provided in spaces where parking meters are installed in various locations around campus or in the Parking Garage located at Deloach and Norriswood Streets. Visitor Parking Permits (hangtags) are available at the Parking Office or Visitor Information Center for a fee of $1.00 per day. These permits allow parking at metered spaces without additional payment or in the General parking lots. The Visitor Information Center is located at Patterson Street and Central Avenue and the Parking Office is located at 3918 Central Avenue.

Garage parking is available Monday through Friday at Deloach and Norriswood streets. Garage parking is $1.00 per hour or a daily rate of $4.00. Parking permit (hangtag) holders may be provided a discount on the all-day rate. Evening access to the garage is provided to permit holders at a cost of $40.00 per semester.

University Police officers, parking assistants, faculty members, or staff employees are not empowered to allow anyone to violate the traffic and parking regulations. Storing articles of value (including radar detectors) in parked automobiles is discouraged. However, if articles must be left in an automobile they should be placed out of sight and/or located in the trunk. The University of Memphis does not assume responsibility for loss of personal property.

Motorists may obtain assistance or information from any campus officer on patrol or by calling 678-4357 (MSU-HELP), or by using any emergency telephone located at various sites across campus and in the lobbies of most academic buildings.
